Additional important information*

Criteria for entries

- Include **additional supporting materials** such as photos, images, short videos, PowerPoint presentation, testimonials, etc. **demonstrating the initiative's benefits** including **facts, figures**, along with how the project has been **communicated to employees and stakeholders** where relevant, **showing a long-lasting efforts/drive for continuous improvement** and if the projects is **towards sustainable and circular economy**.
- Entries must be **in English** using the Responsible Care application form.
- Applicants should **be located in Europe**.
- The **project must have already started**.

Guidance for entries

- Entries should include a **clear description of the initiatives**, outlining its aim and **objectives and list of actions**.
- An independent jury will assess valid entries and give comments.
- Only provide **information that can be made public** in compliance with applicable law. All information will be verified before publication.
- All applicants will be notified with regard to their submission.
- Please **note that generic marketing material is not appropriate**. Jury members will consider projects classified as product placement or "advertising" ineligible. Please **remain as factual/objective and to the point as possible**.

Choose the category your project concerns*

An initiative can only be submitted to one category.

- Cat. 1: **Operational Excellence**
 - Process safety and Cybersecurity Award
 - Digital Innovation for Responsible Care Operations Award
 - Responsible Supply Chain & Collaboration Award

- Cat. 2: **Sustainability & Environment**
 - Sustainability: Climate and Circularity Award

- Cat. 3: **Caring about the Smaller: National Associations and SMEs**
 - National associations and SMEs Award

- Cat. 4: **People-centred Transformation**
 - Excellence in Talent & Workforce Development and STEM Attraction Award

Short summary *

Please provide a short description (**Max 60 words**).

Medium description *

Please describe your project, including its objectives, the technologies used, (if applicable), expected outcomes and results achieved to date. Additionally, include any supplementary materials that would help jury members fully understand and fairly evaluate your project. The description should be written in clear, lay terms, avoiding unnecessary technical language, so it is accessible to a broader audience when promoted, if selected for an award or commendation. (**Max length: 3,000 words**).

List of actions*

Please list the main actions already carried out, and planned to take place.

Do you agree that your company can be tagged on social media? Yes / no
